THIRD SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

Applicant brings the references on the attached Form PTO-1449 to the examiner's attention, pursuant to 37 C.F.R. § 1.56, for consideration in connection with the examination of the above-identified patent application.

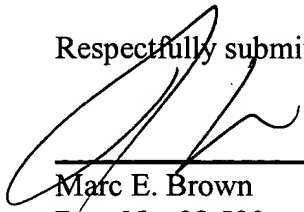

The filing of this second supplemental information disclosure statement shall not be construed as a representation that a search has been made (37 C.F.R. § 1.97(g)), or as an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists. We enclose copies of the cited documents.

The filing of this supplemental information disclosure statement shall not be construed as an admission against interest in any manner.

We request that the examiner show that he or she considered the cited references by returning a copy of the attached form PTO-1449 with initials or other appropriate marks, and that the examiner make the references of record as cited references in the application.

Respectfully submitted,

Date: December 13, 2000
